

THE INAUGURAL EUROPEAN IF-BOAT CHAMPIONSHIP

St. Mawes, Cornwall, UK from 10. to 12. September 2020

This social and competitive IF-Boat sailing event will be held in Cornwall with six attending nations represented by two teams from each nation. The focus of the regatta is to have fun rather than overly serious competition. The event will take place 11.-12. September with a tune-up race day on 10 Sep. We look forward to welcome IF-Boat sailors, families and friends from across Europe to join the fun in Cornwall. Cosy after-sail with exchange of IF-Boat tactics and stories creates an opportunity for new and experienced crews to learn more about IF-sailing. Formal entry forms will be available later in the spring, but as the number of teams is limited, please contact your national representative early if you want to join.

UK - Alan Macklin alandmacklin@gmail.com

SE - Karin Harding karin.harding@bioenv.gu.se

DA - Magnus Reitzel magnus_reitzel@hotmail.com

DE – Hermann Klimberg schriftwart@if-boot.de

NL – Michiel Veldkamp veldkampm@noord-holland.nl

NO- Morten Mero formann@ifklubben.no

It is recommended that overseas crews fly to Newquay. The organizers will advise on transfer and housing. There are plenty of scenic and interesting places around St Mawes for participants and families that want to add some days to see the region.

St Mawes Sailing Club is the Organising Authority and will host the latest current information, NoR etc. on their website at <https://www.stmawessailing.co.uk/sailing/racing/>

"IF-Boat sailors sail faster and reach higher!"
